Dear Mr Atkins

Thank you so much for the loan of the two pagoda marquees, tables and chairs, they made a really wonderful addition to the Oxshott Scouts family camp this bank holiday weekend. We did raise some eyebrows as other Scout groups arrived and looked enviously at our pagodas, wedding tables and chairs!

It was brilliant to have the shade and the round tables are so much better than our usual long tables and benches; many parents spent much time sitting at the tables chatting after meals which was lovely.

We have between 120 and 180 parents and children at family camp, ranging from a 9 week old baby to two grandmas this year. It is a wonderful sociable event and the marquees, tables and chairs really helped.

Matt Major was so kind giving up his time to erect the marquees on Friday and then coming and taking the marquees down on bank holiday. Also he was very helpful by assisting us in putting up our own two 3x4m mess tents.

We are grateful for your generosity in the loan of equipment and for Matt's time and help.

Yours sincerely,

Nicola Bond
